

Financial Approval Policy

Organization: Tenant B

Purpose

This document defines approval requirements for purchases and financial commitments.

Purchase Thresholds

Purchases below 10,000 units require department manager approval. Purchases from 10,000 to 50,000 units require finance approval.

Large Purchases

Purchases above 50,000 units require approval from the Finance Director before an order is placed.

Expense Claims

Employees should submit expense claims with receipts within 30 days of the expense.

Budget Control

Department managers are responsible for monitoring spending against approved budgets.

Authority

The Finance Department owns this policy and may provide implementation guidance.
