

Remote Work Policy

Organization: Tenant B

Purpose

This policy describes rules for employees who work remotely on approved schedules.

Eligibility

Remote work may be approved when the employee's role and business requirements support remote work.

Working Hours

Employees must remain available during agreed working hours and attend required meetings.

Equipment

Company equipment must be handled securely and used for authorized business activities.

Confidentiality

Employees must prevent unauthorized people from viewing confidential company information.

Manager Approval

Remote work schedules require approval from the employee's manager.
